**Recognition of Academic Achievement – Letter of Commendation**

Dear Ryan

I am delighted to congratulate you on this Letter of Commendation awarded for your high academic performance achieved during Semester 2, 2022. This commendation is awarded in recognition of your high level of academic performance, and as the Dean of Engineering, I am both pleased and proud of your achievements. The Faculty of Science and Engineering offers some of the most demanding courses available at Curtin University, and we recognise your dedication and commitment to academic excellence.

The Faculty of Science and Engineering seeks to encourage all students to perform to the best of their ability in their chosen course and to motivate high-achieving students to consider further postgraduate studies. Celebrating excellent academic achievement is part of this strategy.

To be eligible to receive a Commendation from the Dean of Engineering, students must have completed a minimum of 75 credit points and have earned a semester weighted average of 79.50 or higher for that study period.

I congratulate you on your performance in Semester 2, 2022, and wish you well for your future endeavours, whether they be further study at Curtin University or the commencement of your 'working' career.
